19th Annual NCRA Basket Raffle

All registry associations and affiliates are invited to join us for our 19th Annual NCRA Basket Raffle. NCRA is seeking “baskets” which will be raffled during this year’s NCRA conference. Creativity and uniqueness are encouraged in the design and contents of each basket. Contents should be representative of your state. We suggest the baskets be valued at about $100. Shipping information and/or a drop-off location will be emailed after entry form has been submitted.

All of the baskets will be on display in the Exhibit Hall or vendor area beginning Monday, May 20th at 5:15 pm for the Grand Opening of the Exhibit Hall. A selection of baskets will be raffled each day of the conference beginning Tuesday, May 22nd. All baskets are required to be set up at the designated basket display area no later than 4:00 p.m. on Monday, May 20th. A significant percentage of the proceeds from the State Baskets will be donated back to the State Associations who participated in the basket raffle.

Remember to bring an extra item for the NCRA Basket! The NCRA Basket which is a collaboration of donations from many associations will be raffled at the closing of the conference on Wednesday, May 22 at the NCRA Awards, Installation and Recognition Luncheon. The NCRA basket will contain a complimentary registration for the next year’s conference plus a variety of items that were donated by the different associations. NCRA will pay for shipping of the NCRA basket to the winner’s home. Winner of NCRA basket must be present to win.

Tickets for the raffle of these baskets will be available online one week prior to the conference and onsite in the NCRA store, and the registration desk. The baskets will be raffled off individually on Tuesday and Wednesday during conference breaks. A listing of when each basket will be raffled will be posted in the basket display area. Please have someone from your association present your basket at the time of raffle and draw the winning ticket. Photo opportunities will be available. If you want to get a picture for your association newsletter, bring your camera! Winners will be posted on the board and baskets must be claimed by the end of the day. Unclaimed baskets at the time of the drawing will be held at the main NCRA registration desk. Basket not claimed before registration closes for the day will be raffled the next day. Winners or their representatives must be present for the Wednesday, May 22 drawings at 10:00 AM and the Luncheon raffles.

There will be a lot of excitement and everyone has a lot of fun! Any questions, contact nallen@ncra-usa.org.
NCRA 19th ANNUAL BASKET PROGRAM
PARTICIPATION FORM

Please complete and return to by **May 1, 2019.**
Return form to: nallen@ncra-usa.org or fax to (703) 299-6620
