NCRA’S 46TH ANNUAL EDUCATIONAL CONFERENCE

2020 VISION

INNOVATION | EDUCATION | IMPROVING CANCER DATA

DISNEY’S CORONADO SPRINGS RESORT | LAKE BUENA VISTA, FL
MAY 31-JUNE 3, 2020

REGISTRATION
KEYNOTE SPEAKER

Dana E. Rollison, PhD

Dana Rollison, PhD, is Vice President, Chief Data Officer, and the Associate Center Director of Data Science at Moffitt Cancer Center in Tampa, FL. In her keynote presentation, she will highlight the important role cancer registrars play in data collection, sharing examples of how registry data are used at Moffitt. Dr. Rollison will showcase the facility’s special data projects and initiatives, as well as outline Moffitt’s Enterprise Wide Analytics Strategy and other primary research projects that will be of interest to cancer registrars.

In her many roles at Moffitt, Dr. Rollison provides leadership and oversight in several areas. She directs the Office of Health Data Services, providing administrative oversight of three departments dedicated to providing access to high-quality patient data, including Cancer Registry, Data Quality & Business Intelligence, and Health and Research Informatics & Enterprise Wide Analytics. She also focuses on the development and infrastructure planning for Moffitt’s Health and Research Informatics (HRI) platform and sets the executive vision for Moffitt’s Enterprise Wide Analytics Strategy.

Dr. Rollison is also a member of Moffitt’s research faculty, with a primary focus on the role of viral infections in cancer etiology and on the epidemiology of cutaneous and hematologic malignancies. She earned her undergraduate degree in biology from the University of Miami and completed her master’s, doctoral, and postdoctoral training in cancer epidemiology at Johns Hopkins University. She joined Moffitt in 2004 as an assistant member in the Cancer Epidemiology Program. She was promoted to associate professor with tenure in 2010. From 2005 to 2010, Dr. Rollison served as scientific director of Moffitt’s Cancer Registry, facilitating the use of cancer registry data for research and augmenting its value through linkage to other data captured electronically as part of Moffitt’s Total Cancer Care® initiative.

WORKSHOPS
INTENSIVE TRAINING TO MEET YOUR NEEDS

PRE-CONFERENCE WORKSHOP

CTR Exam Prep Workshop: Hands-On Strategies for the Open-Book Section
SUNDAY, MAY 31, 2020  8:30 AM – 4:30 PM

The CTR Exam Prep Workshop: Hands-On Strategies for the Open-Book Section is a one-day, rigorous training experience for those preparing to take the CTR exam in the summer and fall exam periods. Faculty will focus exclusively on the open-book portion of the exam, providing a thorough review of resources and offering hands-on case studies to help candidates prepare for the exam.

CONCURRENT WORKSHOP

Fundamentals of Abstracting
MONDAY AND TUESDAY, JUNE 1-2, 2020  8:00 AM – 4:00 PM
WEDNESDAY, JUNE 3, 2020  8:00 AM – 11:30 AM

The Fundamentals of Abstracting Workshop is intended for new registrars and will focus on the concepts of quality abstracting and data reporting practices. The agenda includes hands-on experiences and interactive exercises using patient cases, resource materials, manuals, and databases to provide the participant opportunities to experience a variety of basic and complex abstracting exercises. The faculty will provide a theoretical basis for the tasks and activities associated with abstracting and a comprehensive and thorough review of the topics most important to abstractors.

Who Should Attend Fundamentals of Abstracting
The Fundamentals of Abstracting Workshop is suitable for cancer registry employees with between six months and two years of experience. Attendees should have knowledge of anatomy, physiology, and medical terminology. Attendees should be familiar with cancer registry resources such as the AJCC Cancer Staging Manual, 8th Edition; ICD-O; Site-Specific Data Items (SSDI); Solid Tumor Rules (2018); STORE Manual; and Summary Stage 2018. The workshop is a basic course, and participants are not eligible for CE credits.

Critical Topics to be Addressed
- Abstracting Principles, including the STORE Manual
- Casefinding
- Grade Coding Updates
- ICD-O-3 Topography and Histology
- Extent of Disease (EOD)
- Site-Specific Data Items (SSDI)
- Solid Tumor Rules
- Summary Stage 2018
- TNM Staging, 8th Edition
- Treatment Principles and Coding

POST-CONFERENCE WORKSHOP

SEER Advanced Topics for Registry Professionals Workshop
THURSDAY, JUNE 4, 2020  8:00 AM – 5:30 PM
FRIDAY, JUNE 5, 2020  8:00 AM – 12:30 PM

The one-and-a-half day 2020 SEER Advanced Topics for Registry Professionals Workshop will expand registrars’ knowledge of several important topics: the 2018 Histology Coding Rules, New Data Items for 2021, SEER quality initiatives, advanced pathology concepts, and more! Participants will complete assigned cases in SEER*Educate before the workshop (details to be provided). In-depth coding and abstracting training will be based on outcomes of the assigned cases. No meals will be provided. Space is limited.

Note: All workshops require minimum registration to be offered and have limited seating. NCRA reserves the right to cancel any workshop by April 17, 2020, with a full registrant refund.
CONFERENCE HIGHLIGHTS

Educational Sessions
NCRA’s 46th Annual Educational Conference will showcase critical topics to help cancer registrars stay current and up-to-date with advancements and changes in the field. Attendees can earn 18.75 CEs.

Annual State Associations Basket Raffle
Beautiful baskets that are representative of their communities are created by the state associations and are raffled during the conference. If your state association is interested in participating, download the application form on NCRA’s website at www.ncra-usa.org/baskets.

Conference e-Proceedings
NCRA will provide a complimentary copy of the Conference Proceedings in electronic format (PDF) to all attendees. Attendees will be able to download and print, in advance of the conference, the session details and presentations, to create a personal schedule. Instructions on how to download the e-Proceedings will be sent to attendees in mid-May.

CTR Recognition
Celebrate the credential by congratulating new CTRs in attendance. Attendees who passed the exam in 2019 will be recognized on Wednesday, June 3, during the Awards, Installation, and Recognition Luncheon.

Danielle Chufar Conference Scholarship
The Danielle Chufar Memorial Annual Conference Scholarship is named in memory of the NCRA staff member who passed away in February 2004 from cancer. The scholarship covers the full conference registration fee, round-trip coach airfare, and hotel accommodations for three nights. Go to www.ncra-usa.org/scholarship to download the application. Deadline is February 20, 2020.

Encore Sessions: USB Drive
Watch your favorite presentation again or share it with a co-worker who was unable to attend the conference. The Encore Sessions USB Drive contains high-quality video and audio. CE credits can be earned by completing the Viewing Form for each session. (Additional fees for CEs required.) Pre-order the USB Drive using the registration form. The cost is $125. NCRA will mail the USB Drive eight weeks after the conference.

Exhibit Hall and Hours
Learn about the latest in cancer registry products and services. The exhibit hall is a great way to network with vendors and colleagues, while learning about advancements and updates affecting the industry.
Monday, June 1: 5:30 PM – 7:30 PM
Tuesday, June 2: 7:00 AM – 4:00 PM
Wednesday, June 3: 7:00 AM – 9:30 AM

Mobile App
NCRA’s conference mobile app will include the conference schedule, session descriptions, and links to PowerPoint presentations, exhibitor information, and details on Orlando attractions. Instructions on how to download the app will be sent to attendees in mid-May.

State Presidents’ Leadership Event
NCRA will hold its annual networking and information sharing event for state associations. Details will be emailed to association presidents in April 2020.

2020 POSTER SESSIONS
NCRA’s poster sessions provide attendees additional opportunities to learn more about what’s new in the profession. Topics include:

- Addressing Common Cancer Registry Abstracting Errors with Quality Control Edits
- Associations Between Health Insurance, Treatment, and Survival in Women with Invasive Breast Cancer
- Challenges of Remote Work for Tumor Registries
- Community Care Program (CCP): A Qualitative Report about Missing Information. Are We the Ones to Blame?
- Data Visualization Tools that Will Engage and Inspire your Cancer Committee
- End-to-End Perspective: Integration of Electronic Pathology Reports into a Cancer Registry
- Geographic Variation in Racial/Ethnic Differences of Triple-Negative Breast Cancer
- Importance of Having Quality Address Information in Cancer Data
- NAPRC and Tumor Boards are Changing the Lives of Rectal Cancer Patients
- New CoC Standards Implementation Plan

TOTAL
Disney’s Coronado Springs Resort
Celebrate the unique blend of Spanish, Mexican, and Southwest American cultures at the newly re-imagined Disney’s Coronado Springs Resort. This beautiful lakeside oasis offers classic influences, Disney touches, and modern comforts to energize and inspire as attendees enjoy an array of new features, eateries, and enhancements. The Coronado Springs Resort is where all events will occur and where sleeping rooms are reserved.

Hotel Reservations
NCRA has negotiated a single/double sleeping room rate of $199/night. Room reservations are available on a first-come, first-served basis until sell-out or May 1, 2020, whichever comes first. Make reservations online by going to www.ncra-usa.org/Hotel. Please note that at the time of booking, a total of one night room and taxes will be charged.

Air Travel
Orlando International Airport (MCO) is served by 40+ airlines and is the closest airport to the Disney resorts.

Ground Transportation
For your convenience, Disney’s Magical Express at Walt Disney World® Resort offers complimentary motor coach transportation to/from Orlando International Airport for attendees staying at a Disney Resort hotel. Once your room is booked at the Coronado Springs Resort, details on how to arrange this service will be included in an email confirmation from the Coronado Springs Resort.

Need a Letter-Of-Support to Attend NCRA 2020?
NCRA reaches out to administrators to support cancer registry staff attending its educational conference. This letter-of-support highlights the value and importance of attending the conference. We need your help in identifying who should receive this important letter on your behalf. Note: the letter is not limited to hospital facilities. Any NCRA member who feels that they would benefit from such support (hospital, central, federal, service provider, vendor, etc.) is encouraged to provide contact information. NCRA will not share the contact information with other organizations, and NCRA will not mention your name in the communication. For more information, visit www.ncra-usa.org/conference.
