NAVIGATING THE MOUNTAINS OF CHANGE
FROM THE HIGH PLAINS TO THE FRONT RANGE

NCRA’s 45th ANNUAL EDUCATIONAL CONFERENCE

DENVER, CO | MAY 19-22, 2019
NCRA: CELEBRATING ITS 45TH ANNIVERSARY IN 2019!

In honor of its 45th anniversary, NCRA’s 2019 Program Committee has planned a special program to honor how cancer surveillance and the cancer registries have evolved over the past 45 years. Each day will feature a keynote address. On Monday, Dr. Ted Williamson will focus on the Evolution of Cancer and Cancer Care; Dr. Otis Brawley will highlight the Evolution of the Standards of Care and Survivorship on Tuesday; and on the final day, a team will present a keynote on how Cedars-Sinai Medical Center used oncology analytics provided by the cancer registry to advance and improve cancer care. Another special feature of this year’s program are three symposia — hospital, central, and management/professional development — offered on the last day. The symposium format will provide opportunities for more interactive learning. Facilitators will help manage the day and moderate discussions. NCRA looks forward to commemorating its 45th anniversary at the annual conference in Denver. We hope you can join us!

KEYNOTE SPEAKERS

Theodore J. Williamson
MD, PhD, CTR

Dr. Williamson is the founder, former President, and current Medical Director of Onco Inc. An opportunity to participate as a consultant in the development of a new radiation therapy facility in 1970 led to an appreciation for the cancer-fighting power of radiation and his first experience developing a computer-based cancer registry. A career-changing decision led to an MD at the University of Miami in 1975. Returning to the West Coast, he completed his residency in radiation oncology at the University Hospital in Seattle. His group practice in radiation oncology allowed time to pursue research and the development of interests, first in radiation treatment planning and then, since 1986, exclusively in cancer registry and related software applications. In addition to his decades of registry work for Onco Inc., Dr. Williamson has been on the staff of Salem Hospital for 40 years and has been a member of the Oregon State Cancer Registry Advisory Board since it was founded. He earned the CTR credential in 1994.

Otis W. Brawley
MD, MACP, FASCO, FACE

Otis Webb Brawley, MD, is an acknowledged global leader in the field of cancer prevention and control. Currently a professor of hematology, oncology, medicine, and epidemiology at Emory University, Dr. Brawley was also the chief medical and scientific officer for the American Cancer Society (ACS). In his role as Chief Medical Officer at the ACS, Dr. Brawley was responsible for promoting the goals of cancer prevention, early detection and quality treatment through cancer research and education. Dr. Brawley currently serves on the External Advisory Board for Winship Cancer Institute of Emory University. He was formerly a member of the CDC Breast and Cervical Cancer Early Detection and Control Advisory Committee. He served as a member of the Food and Drug Administration Oncologic Drug Advisory Committee and chaired the National Institutes of Health Consensus Panel on the Treatment of Sickle Cell Disease.

REASONS TO ATTEND NCRA 2019!

• Learn how the cancer registry and the profession have evolved and understand how you can plan for the future.
• Earn over 19 CEs in three days.
• Meet the CoC Standard to attend a national or regional cancer-related meeting once during the three-year survey cycle.

### Three Symposia

NCRA is offering three symposia on Wednesday from 10:15 AM to 4:30 PM. They will focus on the needs of hospital and central registrars as well as those seeking to advance in management. The symposium format will provide opportunities for more interactive learning. Facilitators will help manage the day and moderate discussions. When you register, please indicate the symposium you will attend. Attendees will stay in the symposium room. All will break at 12 PM for the Awards, Installation, and Recognition Luncheon and will gather at the end of the day for the last plenary session at 4:30 PM.

WORKSHOPS

INTENSIVE TRAINING TO MEET YOUR NEEDS

PRE-CONFERENCE WORKSHOP

CTR Exam Prep Workshop; Hands-On Strategies for the Open-Book Section
SUNDAY, MAY 19, 2019  8:30 AM – 4:30 PM
The CTR Exam Prep Workshop: Hands-On Strategies for the Open-Book Section is a one-day, rigorous training experience for those preparing to take the CTR exam in the summer and fall exam periods. Faculty will focus exclusively on the open-book portion of the exam and provide a thorough review of resources and offer hands-on case studies to help candidates prepare for the exam.

CONCURRENT WORKSHOP

Fundamentals of Abstracting
MONDAY AND TUESDAY, MAY 20-21, 2019  8:00 AM – 4:00 PM
WEDNESDAY, MAY 22, 2019  8:00 AM – 12:00 PM
The Fundamentals of Abstracting Workshop is intended for new registrars and will focus on the concepts of quality abstracting and data reporting practices. The agenda includes hands-on experiences and interactive exercises using patient cases, resource materials, manuals, and databases to provide the participant opportunities to experience a variety of basic and complex abstracting exercises. The faculty will provide a theoretical basis for the tasks and activities associated with abstracting and a comprehensive and thorough review of the topics most important to abstractors.

Who Should Attend Fundamentals of Abstracting
The Fundamentals of Abstracting Workshop is suitable for cancer registry employees with between six months and two years of experience. Attendees should have knowledge of anatomy, physiology, and medical terminology. Attendees should be familiar with cancer registry resources such as the AJCC Cancer Staging Manual, 8th Edition; ICD-O; Site-Specific Data Items (SSDI); Solid Tumor Rules (2018); STORE Manual; and Summary Stage 2018. The workshop is considered a basic course and is not eligible for CE credits.

Critical Topics to be Addressed
- Abstracting Principles, including the STORE Manual
- Casefinding
- Extent of Disease (EOD)
- Grade Coding Updates
- ICD-O-3 Topography and Histology
- Site-Specific Data Items (SSDI)
- Solid Tumor Rules
- Summary Stage 2018
- TNM Staging, 8th Edition
- Treatment Principles and Coding

POST-CONFERENCE WORKSHOP

SEER Advanced Topics for Registry Professionals Workshop
THURSDAY, MAY 23, 2019  8:00 AM – 5:30 PM
FRIDAY, MAY 24, 2019  8:00 AM – 12:30 PM
The one-and-a-half day 2019 SEER Advanced Topics for Registry Professionals Workshop will expand registrars’ knowledge of several important topics: the 2018 Solid Tumor Rules, ICD-O-3 updates, 2019 SEER EOD Reliability Study results, SEER Quality initiatives, and advanced pathology concepts. Participants will complete assigned cases in SEER*Educate before the workshop (details to be provided). In-depth coding and abstracting training will be based on participants’ coding of the assigned cases. No meals will be provided. Space is limited. Complete Row J on the Registration Form (page 9) to request a reservation. NCRA will confirm your acceptance by e-mail.

Note: All workshops require minimum registration to be offered and have limited seating. NCRA reserves the right to cancel any workshop by April 19, 2019, with a full registrant refund.
CONFERENCE HIGHLIGHTS

Educational Sessions
NCRA's 45th Annual Educational Conference will showcase critical topics to help cancer registrars stay current with advancements and changes in the field. The special 45th anniversary program includes three keynote addresses, highlighting the evolution of cancer care, the registry's impact on survivorship, and how innovations in data analytics will enhance the role of the registrar in the future.

Wednesday's symposia will provide an opportunity for attendees to focus on one of three topic areas: hospital, central, or management/professional development. The format will provide opportunities for more interactive learning. Facilitators will manage the symposium sessions and guide discussions. Attendees will choose their preferred symposium when they register. In addition to the three keynotes, there are 15 plenary sessions and at least five focused sessions in each symposium. Attendees can earn over 19 CEs, including Category A CEs.

Annual State Associations Basket Raffle
Beautiful baskets that are representative of their communities are created by the state associations and are raffled during the conference. If your state association is interested in participating, download the application form on NCRA's website at www.ncra-usa.org/baskets.

CTR Recognition
Celebrate the credential by congratulating new CTRs in attendance. Attendees who passed the exam in the spring, summer, and fall of 2018 will be recognized on Wednesday, May 22, during the Awards, Installation, and Recognition Luncheon.

Danielle Chufar Conference Scholarship
The Danielle Chufar Memorial Annual Conference Scholarship is named in memory of the NCRA staff member who passed away in February 2004 from cancer. The scholarship covers the full conference registration fee, round-trip coach airfare, and hotel accommodations for three nights. Go to www.ncra-usa.org/scholarship to download the application. Deadline is February 21, 2019.

Encore Sessions: USB Drive
Watch your favorite presentation again or share it with a co-worker who was unable to attend the conference. The Encore Sessions USB Drive contains high-quality video and audio. CE credits can be earned by completing the Viewing Form for each session. (Additional fees for CEs required.) Pre-order the USB Drive using the registration form. The cost is $125. The USB Drive will be mailed eight weeks after the conference.

Exhibit Hall and Hours
Learn about the latest in cancer registry products and services. The exhibit hall is a great way to network with vendors and colleagues, while learning about advancements and updates affecting the industry.
Monday: 5:15 PM – 7:30 PM
Tuesday: 7:00 AM – 4:00 PM
Wednesday: 7:00 AM – 10:15 AM

Mobile App
NCRA's conference mobile app will include the conference schedule, session descriptions, links to PowerPoint presentations, exhibitor information, and details on Denver attractions. Instructions on how to download the app will be sent to attendees in early May.

State Presidents’ Leadership Event
NCRA will hold an annual networking and information sharing event for state associations. Details will be e-mailed to association presidents in April 2019.

2019 POSTER SESSIONS
NCRA’s poster sessions provide attendees additional opportunities to learn more about what’s new in the profession. Topics include:

- A Collaboration between Oncology Analytics and a Multidisciplinary Genitourinary (GU) Cancer Team for Data Collection: A Comprehensive Community Cancer Program’s Perspective
- Community Needs Assessment 101
- Health Behaviors and Other Risk Factors in Early Onset Colorectal Cancer: Collaboration Among NHCI, CDC, and NACDD
- High Burden of Cancer Among Young Women, Aged 20-49
- How Cancer Registry and Nurse Navigation Work Together to Improve Patient Care
- How to Measure CoC/NAPBC Success
- Overcoming SCPs Barriers: Creative Staffing Solution
- Quality Insiders: A Central Registry’s External Quality Improvement Plan
REGISTRATION

How to Register
Register online at www.ncra-usa.org/conference or by completing the conference registration form on page 9. E-mail completed forms to registration@ncra-usa.org; fax to 703-299-6620; or mail to: NCRA, Attn: Conference Registration, 1330 Braddock Place, Suite 520, Alexandria, VA, 22314. Early-rate registrations must be postmarked by April 5, 2019. Registrants will receive confirmation by e-mail within two weeks of receipt of their registration.

Conference Registration—What’s Included
FULL CONFERENCE: Continental breakfast on Monday, May 20; Tuesday, May 21; and Wednesday, May 22; lunch on May 20 at the NCRA Business Meeting; lunch on May 22 at the Awards, Installation, and Recognition Luncheon; refreshments at Monday’s Welcome Reception in the Exhibit Hall; electronic copy (PDF) of the Conference Proceedings; CE credits; and access to all conference sessions and exhibits.

DAILY CONFERENCE: Meals provided for the specific day as stated above and an electronic copy (PDF) of the Conference Proceedings; CE credits; and access to all conference sessions and exhibits on the day purchased.

EARLY RATES: Early rates are available to registrants whose form and payment are postmarked and/or received by April 5, 2019.

Conference and Workshop Cancellation
NCRA will accept cancellations and refund registration fees for cancellations received on or before April 19, 2019. Cancellations must be in writing. NCRA will refund the registration fees paid, less the $100 processing charge by June 21, 2019. No refunds will be made for any cancellation received after April 19, 2019. Substitutions are accepted.

NCRA will accept cancellations by mail, fax, or e-mail. Fax: 703-299-6620; e-mail: registration@ncra-usa.org; and mail: NCRA, Attn: Conference Registration, 1330 Braddock Place, Suite 520, Alexandria, VA, 22314.

Payment Details
NCRA accepts the following forms of payment: check, money order, Visa, MasterCard, and American Express. NCRA accepts purchase orders, but a copy of the P.O. must be provided to NCRA’s offices and include the following information for invoicing: contact name, company, address, phone and fax numbers, and e-mail address. The organization will be billed with payment due 30 days following the date of the invoice. International registrants, see page 9 for payment options. Registrations will not be confirmed until payment is received.

Membership
Become a NCRA member now and save on your conference registration fee! Member benefits include discounts on conferences, webinars, publications, and online educational products; quarterly publications, including The Journal of Registry Management and The Connection; and NCRA’s bi-weekly member e-newsletter, The Update. Note: If your primary occupation is related to the cancer registry, you must apply for the “Active” membership category. If you have any questions about membership, please send an e-mail to: member@ncra-usa.org.

Active ($105): An individual whose primary occupation is related to registry work.

Associate ($90): An individual in the cancer registry field who does not meet the qualifications of the “Active” membership category.

Inactive ($50): Previously qualified as an active member, but no longer in the work force.

International ($65): An individual who is not a resident of a North American country.

Student ($40): An individual who is currently enrolled in college-level curriculum, but does not meet the “Active” membership qualifications.

Sustaining ($200): Individuals, institutions, or organizations interested in promoting the principles and purposes of NCRA.

All CTRs must include the annual CTR (member rate) maintenance fee of $25 with membership dues. NCRA membership runs on a calendar year from January 1 through December 31. All memberships are on an individual basis, including those paid by an employer.

TOTAL
Hotels & Travel

Sheraton Denver Downtown Hotel
1550 Court Place
Denver, CO 80202

The Sheraton Denver Downtown Hotel is where all events will occur and where sleeping rooms are reserved. The hotel is situated on the 16th Street Mall, a mile-long pedestrian promenade filled with outdoor bistros, shopping, and entertainment. Spacious accommodations set the tone for a productive and relaxing visit. Enjoy plush bedding, state-of-the-art technology, and sweeping views of the city and mountains. Several unique dining destinations are at guests’ fingertips, showcasing vibrant cuisine served in a busy downtown setting.

Hotel Reservations
NCRA has negotiated a single/double sleeping room rate of $227/night. Room reservations are available on a first-come, first-served basis until sell-out or April 19, 2019, whichever comes first. Make reservations online by going to: www.ncra-usa.org/Hotel or call 888-627-8405. To receive the $227 rate, you must mention NCRA at the time of reservation.

Air Travel
The Denver International Airport (DEN) is the airport servicing Denver.

Ground Transportation
- Super Shuttle is offering a discount to NCRA attendees. To arrange transportation to/from the airport, go to www.ncra-usa.org/Shuttle and use the code XHJ6S.
- The Sheraton Denver Downtown Hotel is a 45- to 60-minute cab ride from the airport. Uber and Lyft services are also available.
- The A Line commuter train offers convenient public transportation between the Denver Airport and Union Station Denver. Once at Union Station, take a quick taxi, Uber, or Lyft to the Sheraton Denver Downtown Hotel.
- To see all available ground transportation options, go to www.flydenver.com/ parking_transit.

Need a Letter-of-Support to Attend NCRA 2019?
NCRA reaches out to administrators to support cancer registry staff attending its educational conference. This letter-of-support highlights the value and importance of attending the conference. We need your help in identifying who should receive this important letter on your behalf. Note: the letter is not limited to hospital facilities. Any NCRA member who feels they would benefit from such support (hospital, central, federal, service provider, vendor, etc.) is encouraged to provide contact information. NCRA will not share the contact information with other organizations, and NCRA will not mention your name in the communication. For more information, go to www.ncra-usa.org/conference.
NCRA Education Foundation
