What will be covered in the Virtual CTR Exam Prep Workshop?
The NCRA Virtual CTR Exam Prep Workshop will focus on the open-book portion of the CTR exam and provide case examples for casefinding, abstracting and coding, assigning grade, stage, and the solid tumor rules.

When will the NCRA Virtual CTR Exam Prep Workshop take place?
The NCRA Virtual CTR Examination Preparation Workshop takes place in two, three-hour webinars on Tuesday, September 15 from 12:00 PM ET – 3:00 PM ET; Thursday, September 17, 12:00 PM ET – 3:00 PM ET.

What is the registration fee?
The registration fee for the Virtual CTR Exam Prep Workshop is $385.

What is included in the registration fee?
The NCRA Virtual CTR Exam Prep Workshop will provide a hands-on application of abstracting and coding rules through short lecture and review, case scenarios, and commonsense tips for associating difficult terms. Included in registration are the following:

- CTR Exam resource materials and presentation handouts
- Pre-workshop assignments
- Access to the recorded CTR Exam Prep Staging Review webinar offered to exam registrants only
- One-time enrollment for the NCRA CTR Exam Online Practice Test.

Once registered, what will I need to do to sign in on the day of the event?
The NCRA Virtual CTR Exam Prep Workshop will use GoToWebinar as its platform for delivering the workshop. Registrants will receive separate log in instructions for each of the two days 3-5 days prior to the live event.

Will I have to do work before the workshop?
Yes. The instructor will provide case scenarios prior to the workshop and require that registrants perform the required abstracting and coding and answer questions, to the best of their ability. Registrants will need to use manuals and resources that will be required when candidates sit for the CTR exam. Scenarios will be addressed in the workshop and attendees will be surveyed for answers. The instructor will provide answers and rationales and take questions from the attendees.
Is this workshop all lecture?
No, the NCRA Virtual CTR Examination Preparation Workshop is 20% lecture/review and 80% hands-on application of abstracting and coding rules, using exercises, case scenarios, and discussion.

Do I need to have access to manual/materials to support the workshop sessions while we are online?
Attendees should have access to the manuals and resources required for the open-book portion of the CTR exam while in the virtual workshop. It will be important that answers to the case scenarios are referenced correctly in preparation for the CTR exam.

Will the workshop be recorded?
Yes, the workshop sessions will be recorded and made available to the attendees until the end of the final CTR exam testing period, November 15, 2020.

If I register for the workshop but am not able to attend the live event, will I be able to access the sessions afterwards?
We cannot stress enough that it is very important to attend the live event. Attendees have the opportunity to have answers and rationales clarified as the sessions progress. As mentioned above, attendees will have access to the recordings until November 15, 2020.

Does this workshop earn Continuing Education (CEs)?
No, this workshop does not earn CEs.

I am not taking the CTR exam until 2021. Will this workshop be helpful for me?
The 2020 NCRA Virtual CTR Exam Prep Workshop is focused on the 2020 exam. We cannot guarantee that the content of the 2020 Virtual CTR Exam Prep Workshop will prepare you for the CTR exam in 2021.
