Join NCRA Today

The National Cancer Registrars Association (NCRA) promotes education, credentialing, and advocacy for cancer registry professionals. Join today and receive a host of benefits designed to support your career and ensure your success as a cancer registry professional.

► BENEFIT 1

Get and Stay Certified

Become a Oncology Data Specialist (ODS)! Use NCRA's proven ODS exam prep resources. Already have the ODS credential? Access and manage CEs at NCRA's Center for Cancer Registry Education!

Center for Cancer Registry Education

The Center provides easy access to high-quality educational programming to support both seasoned cancer registrars and those new to the field.
www.CancerRegistryEducation.org

► BENEFIT 2

Keep Current

Expand your knowledge and stay up-to-date through NCRA's annual conference, Center for Cancer Registry Education, and publications.

► BENEFIT 3

Support the Profession

NCRA assures your voice is heard at meetings with standard setters, national organizations, and federal agencies.

► BENEFIT 4

Make Connections

Build relationships with the largest network of cancer registry professionals in the world.

NCRA's Mentoring Program

Support new

cancer registrars as they seek to earn the ODS credential.

Meet your own professional development goals by sharing your expertise.

www.ncra-usa.org/Education/Mentoring-IA-Program

► BENEFIT 5

Advance Your Career

Get involved in NCRA and develop leadership and management skills to enhance your career. Write articles, serve on a committee, or run for the Board.

► BENEFIT 6

Save Money

Receive discounts on your ODS annual credential, annual conference registration, educational products, publications, and much more.

NCRA is a non-profit organization that represents over 7,000 cancer registry professionals and ODS-certified professionals. The mission of NCRA is to empower and advance registry professionals through innovations in education, advocacy, credentialing, and strategic partnerships. NCRA provides ongoing training through various mediums including annual conferences, workshops, publications, and their continuing education credit program.
